

## Exercises

1. Given the file button.psd create a Web page (HTML + CSS + images) that displays two buttons and a hyperlink:

- ♦ [OK]
- ♦ [Cancel]
- ♦ [View More Information](#)

The buttons and the hyperlink should look like in the Photoshop file

## Exercises (2)

2. Given the file shadow.psd create a Web page (HTML + CSS + images) that displays few images (with different sizes) with a shadow.

3. Using the file menu-horizontal1.psd create a Web page (HTML + CSS + images) that displays a horizontal menu with hyperlinks.
